

U.S. Exchange Opportunities for Czech High School Students!

Would you like to study or do a short-term leadership program in the United States? Check out these fully funded opportunities for Czech secondary students.

- **FLEX** (Future Leaders Exchange Program) – High school students aged 14–17 spend a full school year at a U.S. high school and live with a host family.
Applications: September

- **Benjamin Franklin Transatlantic Fellowship** – Four-week summer exchange program in the United States for students aged 16–18. Participants will explore transatlantic relations, leadership development, critical thinking, diplomacy, community activism, and the media.
Applications: March

- **Women2Women** – 10-day leadership program in the United States each summer for girls aged 15–19.
Applications: April

- **EducationUSA** – Advising center of the Fulbright Commission, providing free information and counseling about opportunities to study at accredited postsecondary institutions in the United States.

- **Summer Work Travel** – University students can gain work experience, get paid and see the United States.
Applications: November/December

FLEX – Kateřina Šantúrova, ksanturova@americancouncils.org

EducationUSA – Hani Hurtová, hurtova@fulbright.cz

U.S. Exchange Opportunities for Czech University Students!

Would you like to study, work or do a short-term leadership exchange program in the United States? Check out these opportunities for Czech university students and young adults.

- **EducationUSA** – Advising center of the Fulbright Commission, providing free information and counseling about opportunities to study at accredited postsecondary institutions in the United States.

- **Summer Work Travel** – University students can gain work experience, practice English, get paid and see the United States!

Applications: From September till December

- **Ytli** – The Young Transatlantic Innovation Leaders Initiative is for emerging entrepreneurs from Europe ages 25-35. As part of a year-long program, you will spend several weeks during the spring in the United States to develop your skills and network with your business counterparts.

Applications: Due in March

SUSI (Study of the U.S. Institutes) – This six-week summer program in the United States is for students interested in civic engagement. Through academic sessions, workshops and projects, participants will gain skills to become engaged citizens in their own communities.

Applications: Due in January

- **IREX CEE (Community Engagement Exchange)** – CEE is a year-long transformational leadership development experience, which includes a three-month practicum in the United States, designed to enable civil society leaders, ages 21-28, to harness the power of networks, relationships, and much more.

Applications: Fall

Free Resources for Teachers!

The U.S. Embassy has many free resources to help with English teaching or to help Czech students learn more about the United States.

School Visits – Host a U.S. diplomat at your school or bring your class to an American Center for a talk on the United States.

America on Wheels – Request a visit of our mobile “American Center” where students can talk with a diplomat and engage in fun and enriching activities.

American Centers – Offering English conversation clubs, film screenings, lectures, workshops, English language books and DVDs.
